• Upon presentation to complete a request or pick up records, identification will requested to ensure validity/authority of the receiving party.									
In compliance with the HIPAA Privacy Rule regarding the release of mental health information and the federal confidentiality rules regarding the release of substance use disorder treatment information (42 CFR Part 2), I acknowledge the following:									
(1) This consent is subject to revocation at any time, except to the extent that the facility has taken action in reliance on the patient's prior consent. Revocation for mental health records must be provided in writing; revocation of substance use disorder records may be in writing or given verbally.									
(2) If not previously revoked, the patient's consent to release mental health and/or substance abuse information will expire 90 days after the date									
of this release unless otherwise noted here:									
from the provider.									
(4) If requested, the patient is entitled to an accounting of the disclosures of their protected health information.									
(5) I understand that my treatment, payment, enrollment, eligibility for benefits will not be conditioned on whether I sign this authorization. (6) I understand that the PHI used or disclosed pursuant to this authorization may be subject to re-disclosure by the person(s) receiving it and no longer

2nd Witness Signature (if verbal/telephone consent)			Printed Name			Date			

Hospital Staff: Complete an Accounting of Disclosure each time you release records to outside entities. Record each release on form Record of Document of Disclosure (IP-W-066)

Verbal/Telephone Consent should be the exception in extenuating circumstances. Use of the Electronic form in Pulse should be used when feasible rather than verbal consent.

Verbal/Telephone Consent is NOT PERMITTED for patients treated for Substance Use; it is not allowed under 42 CFR part 2 Regulations, authorization must be written/e-signature.

NOTE TO RECEIVER This information has been disclosed to you from information protected by Federal confidentiality rules (42 CFR part 2). The Federal rules prohibit you from making any further disclosure of information in this record that identifies a patient as having or having had a substance use disorder either directly, by reference to publicly available information, or through verification of such identification by another person unless further disclosure is expressly permitted by the written consent of the individual whose information is being disclosed or as otherwise permitted by 42 CFR part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose (see §2.31). The Federal rules restrict any use of the information to investigate or prosecute with regard to a crime any patient with a substance use disorder, except as provided at §§2.12(c)(5) and 2.65.
